

OMR 2024

INTERNATIONAL OFFSHORE AND MARITIME EXHIBITION AND CONFERENCE

8 – 11 October 2024

ExpoForum Convention and Exhibition Center
St. Petersburg, Russia

OMR 2024 – Forum for shipbuilding and offshore oil & gas development

From 8–11 October 2024, St. Petersburg will host OMR 2024 – International Exhibition and Conference for shipbuilding and development of high-tech equipment for continental shelf and Russian Arctic exploration.

The Forum is held with support of the government of the Russian Federation, the Ministry of Energy of the Russian Federation, Russian Academy of Sciences and leading Russian companies engaged in large oil and gas projects and continental shelf development.

OMR Forum is traditionally held with a major event of the gas industry – **St. Petersburg International Gas Forum**.

EXHIBITION

The exhibition will showcase modern technical solutions for the creation of a modern fleet, development of marine energy resources, promising technologies and equipment for the development of the Arctic and shelf infrastructure and development of the transportation system.

5000+ trade visitors will attend the exhibition, including representatives of industry ministries and departments, top managers of shipbuilding and oil and gas, transport and machine-building companies, representatives of specialized unions and associations. **Over 100 companies will take part in the exposition**, with regional expositions of St. Petersburg, Leningrad and Arkhangelsk regions and a collective exposition of Chinese manufacturers.

CONFERENCE PROGRAM

The conference program will include 2 Plenary Sessions, 10 conference sessions, and 3 youth sections.

The theme of the Plenary Session is "**Russia's Priorities in the Arctic**".

The conference sessions will discuss a number of issues related to the development of the Northern Sea Route, development of offshore oil and gas resources in the Arctic zone, ensuring environmental and industrial safety, marine medicine and formation of human resources etc.

For the first time the Program will include sessions **on the application of space-aero-geophysical technologies, manned and unmanned systems on the Arctic continental shelf**, as well as **on the Shtokman gas field**.

THE CONFERENCE TOPICS INCLUDE:

- Resource potential and directions of geological exploration in the Arctic zone and on the continental shelf
- Development and application of space-aero-geophysical technologies, manned and unmanned systems on the Arctic continental shelf
- Development of oil and gas fields in the Arctic zone and on the continental shelf
- The Northern Sea Route and its infrastructure for the development of Arctic oil and gas resources
- State and prospects of development of the modern Russian fleet for the exploration of oil & gas resources of the Arctic zone
- Digitalization of business processes in the Arctic zone

- Energy support of the Arctic zone development
- Legislative base of environmental safety of hydrocarbon resources development on the continental shelf

PARTICIPANTS

Among the participants of the OMR Forum are representatives of the Russian Ministry of Energy, Russian Ministry of Natural Resources, Gazprom, Rosneft, Rosatom, LUKOIL, Zvezda Shipbuilding Complex, Gazprom Dobycha Shelf, Gazpromneft-Sakhalin, Sevmash, Gazprom Neft Shelf, Gazprom Flot, MRTS, MAGE, Krylov State Research Center, Okeanpribor, Kurchatov Institute National Research Center, Afrikantov OKBM, Coral Central Design Bureau, Rubin Central Design Bureau, Russian Maritime Register of Shipping and many others.

We invite you to take part in the exhibition and business programs of OMR 2024, present technological achievements of your company at the exhibition and take part in discussions within the conference program. Participation in the OMR Forum will allow you to demonstrate your company's potential to industry leaders and find new Russian partners.

The cost of participation in the exhibition, Euro

	Cost
Registration fee	400
Space only, 1 sqm	360
Shell scheme, 1 sqm	85

The cost of participation in the conference, Euro

	Early bird rate till 15 August 2024	Full rate from 16 August 2024
Registration fee	1200	1400
